KHUBAIB IBRAHIM

FRONT-END DEVELOPER

Hey there 👋! I am a khubaibM.ibrahim Front-End Developer with a completed MATRIC education. My proficiency in HTML5, CSS3, and Bootstrap 5 allows me to create responsive and visually appealing web pages. I am passionate about translating designs into functional code and continuously improving my skills. Seeking an opportunity to contribute to a dynamic team and grow within the field of web development.
